

Richwood Seed Library

HOW DOES THIS WORK?

1. Our seed library operates on a personal needs basis. Please take **up to 5 seed packets per household**, per season.
2. Plant them, nurture them and enjoy.
That's it!
3. Take photos of what you grow and **share with us** on social media!
@RichwoodLibrary

LATER ON...

4. **Collect seeds** from your plants to save for next season and share them with friends and family!
